**10oz. Heavyweight Fleece Pant**

Our Heavyweight Fleece Pant is made with our most popular 10oz Heavyweight fabric in a relaxed fit and elastic ankle finish. This pant has tear away labels, and no outseam so the entire leg is printable from the bottom of the hand pocket to the ankle. Completed with our quality construction, elastic waistband, shoestring drawcord, and jersey lined hand pockets. We use premium ring-spun cotton to achieve a smooth and stable fabric surface for printing.
